

## **Organizer Bulletin #1**

2016 Nemadji Trail Rally

December 1, 2016

**From:** Susi Little, Chairman

**To:** All Competitors

**Subject:** Crew Fees, MTC, Service Area

### **1.1 Crew Fees**

A reminder that the fee for each crew member is \$10. If a crew member has purchased a 2016 crew license, please have them bring the card. Payment options are as follows:

- By Friday, December 2nd, pay via [Square](https://squareup.com/store/ojibweforestrally) (<https://squareup.com/store/ojibweforestrally>)  
Please include your car number in the comments section.
- On December 3rd, pay via cash or check (made out to OFR) at registration.

### **1.2 MTC Location**

Please remember when entering/leaving MTC that is now located directly on Minnesota Hwy 23 (different than in years past; please refer to the competitor routebook). Be aware of regular traffic and move as far to the side of the road as possible.

### **1.3 Service Area**

Due to the unseasonably warm weather, our planned service area is no longer usable. However, we have been provided an alternate location to the Northeast which we have been told is dry and firm.

Below is a map which highlights the new service area in yellow. Morrie's Subaru is a MAJOR sponsor of the event this year, so Whiskers has a designated parking spot in the General Store parking lot marked in orange. Thank you, Scott!

Note we may NOT park in the areas marked in red! Please observe this rule!

Overflow trailer parking is allowed on Cty Rd 47 only on the same side of the road as the General Store marked in white.

Worker parking is marked in blue.

Tech crew will be coming to you in the service area. Please have the top portion of your tech sheet and logbook filled out before their arrival.

***\*See map on following page\****
